1965

Capital Appearance—The Beatles performed for a youthful audience in Washington on the night of February 12.

Opening for Juniors—These college juniors join the Peace Corps' new summer project for six to eight weeks of training similar to that for regular Peace Corps volunteers. They later did survey work near Taos, N.M. After graduation they will be sent to Latin America.

Ranger on Target—This is a photograph of the lunar surface taken by the Ranger 7 spacecraft prior to its impact on the moon July 31st. The area shown is about one and two-thirds miles on a side. The smallest craters are about 30 feet in diameter and 10 feet deep. Some of the large craters are about 300 feet in diameter.

Family Grieves—Gust Carlson, father of Dr. Paul Carlson, medical missionary slain by rebel troops in the Congo, dabbed at his eyes during a news conference in Los Angeles on November 24. He is flanked by his daughter and another son.

New Teen-Age Queen—Smiling Carolyn Mignini, 17, of Baltimore was crowned the new Miss Teen-age America of 1965 in Dallas on November 13.

World's Fair at Night—The New York World's Fair attracted as many visitors at night as it did during the day following its April opening. The nighttime lights set off the beautiful pavilions constructed by many countries.

Democratic Victor—President Lyndon Johnson won the 1964 election by the greatest plurality and per cent of the total vote in U. S. history. Johnson became President at the assassination of John F. Kennedy in 1963.

Barry's Battle for Votes—Sen. Barry Goldwater was surrounded by fans at Knoxville, Tenn., airport September 16 as he campaigned for the presidency on the Republican ticket. The conservative senator swept to a first-ballot nomination at the convention in San Francisco.

Nobel Prize Winner—Dr. Martin Luther King, Jr., right, was greeted by Richard C. Patterson, commissioner of public events, at Kennedy International Airport Dec. 16 on arrival from Europe. Dr. King was in Oslo to receive the 1964 Nobel Peace Prize.

National Events in Review—1964

Cards are the Winners—Roger Craig leaped on a group of teammates surrounding the pitcher Bob Gibson moments after the last out in the seventh World Series game won by the Redbirds over the Yankees, 7-5, in St. Louis.

I'm the Greatest—Cassius Clay whooped it up with his handlers after he won the world heavyweight title in Miami Beach in February. He was credited with a technical knockout of Sonny Liston when Liston failed to answer the bell for the seventh round.

Alaskan Quake—A whole line of cars rested about 20 feet below street level on a main thoroughfare in Anchorage the day following the disastrous earthquake on March 27.

DEDICATION

Because she has become a part of L.H.S. through her years of service to the student body and because she possessed the qualities of an ideal teacher, we take the pleasure of dedicating the 1965 Reflector to Mrs. Audrey Gaiser.

Here she comes with that camera

Good joke, John...

This is our story of the 1964-65 year at Lancaster High School, which was a year of changes; new people and new friendships. On the following pages we have tried to capture the events of the past year, so whenever you open the pages you will always be reminded of the good times had by all, the many friendships made and most of all the knowledge gained.

The members were chosen on the basis of leadership, personality, and character. The 1964-65 council sponsored assembly programs, co-sponsored the March of Dimes, and in general, worked for better and closer relationships between teachers and students.
